**BOARD OF AGRICULTURE****REQUEST FOR COMMENT ON PROPOSED  
SPECIAL LOCAL NEED REGISTRATION**

Applications have been filed with the State Board of Agriculture for special local need registrations for the following pesticides: Shell Chemical Company applied on August 25, 1986, for a special local need registration for both Bladex 80 WP (EPA Reg. No. 201-279) and Bladex 90 DF (EPA Reg. No. 201-414) pesticide. The purpose of the special local need registration is to permit the use of each pesticide for early post-emergence application on winter wheat to control certain broadleaf plants and grasses. At present, each of these pesticides is federally registered to be applied on corn, cotton, grain sorghum, wheat and follow cropland in order to control certain broadleaf plants and grasses. The special local need registration, if granted, will allow the use of this pesticide as an early post-emergence application.

Information submitted by the registrant is on file with the Kansas State Board of Agriculture. Anyone wishing to comment or present data or other evidence in support of or opposition to the registration may do so on or before October 14, 1986.

Comments, data or other evidence should be submitted to Jon Flint, Pesticide Use Law Administrator, Plant Health Division, Kansas State Board of Agriculture, 109 S.W. 9th, Topeka 66612.

**ATTORNEY GENERAL****Opinion No. 86-122**

**Insurance—Firefighters Relief Act—Firefighters Relief Fund Eligibility.** Frank M. Rice, Legal Counsel for the Metropolitan Topeka Airport Authority, Topeka, August 27, 1986.

The firefighters of the fire department operated by the Metropolitan Topeka Airport Authority (MTAA) are not eligible to participate in the Firemen's Relief Association, which is operated by and through the Kansas Insurance Department. For members of a fire department to be eligible, the fire department must be under the control of the governing body of an incorporated city, township, county or fire district. The MTAA is a body politic separate and distinct from any municipality, managed and controlled by an independent board of directors. Cited herein: K.S.A. 27-327 *et seq.*; 27-330; 27-331; K.S.A. 1985 Supp. 27-334; 40-1701. TL

**Opinion No. 86-123**

**Contracts and Promises—Funeral and Cemetery Merchandise Agreements, Contracts and Plans—Counselor's Commission.** Senator Edward F. Reilly, Jr., 3rd District, Leavenworth, August 27, 1986.

K.S.A. 1985 Supp. 16-301 regulates the payment for

funeral services and burial merchandise before they are actually needed and received. It does not preclude the contracting and payment for consulting services which are rendered immediately. Thus, a seller of merchandise or services is free to immediately deliver consulting or planning services, and receive payment in a lump sum or by installments, notwithstanding the provisions of K.S.A. 16-301 *et seq.*, if a separate contract is entered into providing for those services, and for payment. #### Opinion No. 86-124

**Public Health—Solid and Hazardous Waste—Immunity from Liability for Hazardous Waste Cleanups—Propane Cleanup Liability.** Rep. Ivan Sand, 66th District, Riley, August 27, 1986.

Kansas grants limited immunity from liability to parties rendering assistance in the cleanup of a propane accident. The immunity does not extend to parties who are responsible for the accident, compensated for rendering assistance, grossly negligent or who intentionally, recklessly or wantonly cause the accident. Cited herein: K.S.A. 65-3471; 65-3472; 49 C.F.R. 173. TL

#### Opinion No. 86-125

**Public Health—Healing Arts—Physicians' Assistants; Issuance of Prescriptions.**

**Public Health—Examination, Licensure and Regulation of Nursing—Advanced Registered Nurse Practitioners; Issuance of Prescriptions.**

**Public Health—Examination and Registration of Pharmacists—Persons Authorized to Issue Prescription Orders.** Lynn Ebel Davis, Attorney for the Board of Pharmacy, Topeka, August 27, 1986.

It is our opinion that advanced registered nurse practitioners may not issue prescription orders pursuant to a physician's standing orders or protocol because they have not been granted such authority by the statutes and regulations under which they are licensed. Physicians' assistants, however, are expressly authorized to practice medicine under the direction and supervision of a physician. Since the practice of medicine includes the act of prescribing medicine, we conclude that physicians' assistants may issue prescription orders under the direction and supervision of a physician. #### Opinion No. 86-126

**Cities and Municipalities—Code for Municipal Courts; Proceedings After Arrest and Prior to Trial—Municipal Court Diversion; Driving Under the Influence.** Robert J. Watson, Overland Park City Attorney, Overland Park, September 2, 1986.

Because the 1986 repeal of the prohibition of diversion for drivers having a blood-alcohol concentration

of .20 or higher is remedial legislation, it is to be given retrospective effect. In determining whether diversion is in the interests of justice and the community, the factors to be considered by the city prosecutor are not affected by L. 1986, ch. 185, § 1. Cited herein: K.S.A. 12-4414; K.S.A. 1985 Supp. 12-4415(b)(3), as amended by L. 1986, ch. 185, § 1. JLM

#### Opinion No. 86-127

**Cities and Municipalities—Public Recreation and Playgrounds—Certification of Budget After Statutory Deadline Date.**

**Taxation—Levy of Taxes—Time for Certification of School Levies.** Steven L. Boyce, Coffey County Attorney, Burlington, September 2, 1986.

K.S.A. 1985 Supp. 12-1908(b) provides that a school district may levy a tax to meet the needs of its recreation commission, not to exceed one mill, which is in addition to the one mill authorized by K.S.A. 12-1904 and amendments thereto. K.S.A. 1985 Supp. 12-1908(e), however, imposes the limitation that before a tax levying authority makes such additional levy, the school district shall adopt a resolution authorizing the making of the levy. Once the resolution is published, the tax levy may be made without an election unless a petition in opposition thereto is filed in accordance with the statute.

If a valid petition is filed in opposition to the proposed tax levy increase, the county clerk may not certify the school district budget with the mill increase figured in unless and until a majority of all electors voting have approved the proposed mill levy increase at a regular or special election. A special election may be called after the August 25 certification deadline to determine the voters' will, as this deadline is merely directory, not mandatory. As soon as the election results are determined, the school district shall submit its proposed budget, either with or without the mill increase figured in, to the county clerk for certification. **NOTICE OF HEARING  
ON PROPOSED  
ADMINISTRATIVE REGULATIONS**

A public hearing will be held at 8:30 a.m. Friday, September 26, in Room 313-South, State Capitol, Topeka, to consider the adoption of amendments to the rules and regulations for the State Water Plan Storage Act.

All interested parties may submit written comments prior to the hearing to the Kansas Water Office, Suite 200, 109 S.W. 9th, Topeka 66612. All interested parties will be given a reasonable opportunity at the hearing to present their views, orally, in regard to adoption of the proposed regulations. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit oral presentation to five minutes.

Following the hearing, all written and oral comments submitted by interested parties will be considered by the director of the Kansas Water Office as the basis for making changes to these proposed amended regulations. The regulations will then be submitted to the Kansas Water Authority for its approval.

Summaries of the regulations follow. Copies of the regulations and the fiscal impact statement may be obtained prior to the hearing by writing the Kansas Water Office.

The following is a summary of proposed amended regulations necessitated by enactment of 1986 H.B. 2721, Chapter 396, 1986 Session Laws of Kansas:

**K.A.R. 98-5-2** sets forth the process for filing an application to negotiate a water supply contract. Amendment requires the applicant to provide evidence of adoption and implementation of a water conservation plan.

**K.A.R. 98-5-3** sets forth procedures to negotiate water supply contract. Amendment is necessary to allow for contracts to be negotiated in advance of actual availability of water.

**K.A.R. 98-5-5** sets forth the formula to be used in setting the annual rate charged under water supply contracts. Amendment of this section reflects statutory changes as a result of enactment of H.B. 2721.

**K.A.R. 98-5-6** establishes the rate to be charged for surplus water. Amendments clarify conditions for which charges are assessed for the use of surplus water and the rate charged for specific types of surplus water contracts.

**K.A.R. 98-5-7** sets forth the provisions to be included in water supply contracts. Amendments clarify the method used to determine the minimum annual charge and to determine the net amount of monies advanced from the state general fund.
